Section/Japan Geoscience Union, executive member of Japan Meteorological Society.

---

## Young Scientist Award Zhibo Zhang

Zhibo Zhang received the B.S. degree in Atmospheric Sciences from the Nanjing University in China in 2001, and the M.S. and Ph.D. degrees in Atmospheric Sciences from the Texas A&M University in 2004 and 2008, respectively. He joined the Joint Center for Earth

Systems Technology of the University of Maryland Baltimore County (UMBC) in 2008, working onsite in the Climate and Radiation Laboratory (613) of NASA's Goddard Space Flight Center. In 2011, he joined the Physics Department of UMBC as an Assistant Professor. Dr. Zhang was a winner of the NASA's New Investigator Program (NIP) in Earth Science in 2014, a member of the American Geophysical Union and American Meteorology Society, and also a science team member of NASA's MODIS and PACE missions.

## Key Dates

Registration Deadline for Programme Inclusion: 31 January 2016

Icebreaker: Saturday 16 April

Sessions: 17 – 21 April 2016
