

28 February 1996

ENGLISH/FRENCH/SPANISH ONLY

**UNITED NATIONS FRAMEWORK CONVENTION ON CLIMATE CHANGE**

**Subsidiary Body for Scientific and Technological Advice  
Second session**

**Subsidiary Body for Implementation  
Second session**

**Ad Hoc Group on the Berlin Mandate  
Third session**

**Geneva, 27 February - 8 March 1996**

**PROVISIONAL LIST OF PARTICIPANTS**

In order to make the best possible use of limited resources, the directory of participants, containing full addresses, will no longer be issued at every session of Convention bodies. Instead, the secretariat will issue the directory, in hard copy and on diskette, at the annual sessions of the Conference of the Parties as a contribution to facilitating contact between participants.

At sessions of the subsidiary bodies, a single list of participants will be issued reflecting participation in that period of sessions as a whole. Individual lists will not be issued for each separate session or body. Participation by each individual in a respective body will be indicated in an index in the back of the list.

The attached provisional list of participants in the second session of the Subsidiary Body for Scientific and Technological Advice, the second session of the Subsidiary Body for Implementation, and the third session of the Ad Hoc Group on the Berlin Mandate has been prepared on the basis of information received by the secretariat as at 27 February 1996.

A revised final list of participants will be issued on Friday, 8 March, taking into account additional information received by the secretariat in the course of the sessional period, including any corrections submitted during that time. Corrections should be given to Ms. Francesca Foppiano (at the registration desk or office E-2060) by 12 noon on Wednesday, 6 March, at the latest.
