List of participants

Further to recent directives received from United Nations Headquarters regarding efforts to reduce expenditures, delegations are kindly requested to bring copies of reference or pre-session documents received at the Permanent and Observer Missions and to keep them throughout the session.

UNFCCC documents are also available on the World Wide Web (http://www.unep.ch/iucc.html); on the APC Networks (EcoNet conference un fece), and by direct electronic mail on request.

Services available to all participants

Four computers and a printer are available to all participants (delegates and observers) on a first come, first served basis in Room E.2070. Please try not to monopolize the equipment for too long, as all participants should have access to it. Participants are kindly requested not to use secretariat computer equipment.

Participants are reminded that **photocopying machines** available to the secretariat for purposes of servicing the meetings are not for use by participants as that entails considerable costs for the secretariat. However, participants may wish to know that there are two coin-operated photocopying machines at the Palais, located in the Library wing of the main building, on the first and third floors. Photocopies may be made at a cost of 10 centimes per page. (**Please note that there are no facilities for providing change**.) The Library is open from 8.30 a.m. to 5.30 p.m.

A bulletin board is located between Conference Rooms XIX and XX for use by all participants.
