I. OPENING OF THE SESSION

(Agenda item 1)

1. The fourth session of the Subsidiary Body for Scientific and Technological Advice (hereinafter referred to as "the SBSTA") was held at Geneva from 16 to 18 December 1996.
2. The Chairman of the SBSTA, Mr. Tibor Faragó, opened the session on 16 December 1996. He welcomed all delegates and observers from non-parties, United Nations bodies and organizations, and intergovernmental and non-governmental organizations. He noted the need to work expeditiously, despite the substantial achievements of the SBSTA and the Conference of the Parties (COP) at their previous session.
3. The Chairman reported on the schedule of meetings of Convention bodies as decided by the Bureau of the Conference of the Parties. The fifth session of the SBSTA will be held from 25 to 28 February in Bonn, with subsequent sessions to be organized within the following periods:

Seventh session	28 July - 7 August 1997	Bonn
Eighth session	20 - 31 October 1997	Bonn

4. The Chairman informed the SBSTA that the Bureau of the COP had also decided that there would be no meetings of the subsidiary bodies during or immediately preceding the third session of the COP.

II. ORGANIZATIONAL MATTERS

(Agenda item 2)

A. Adoption of the agenda

(Agenda item 2 (a))

5. At its 1st meeting, on 16 December, the SBSTA adopted the following agenda:
 1. Opening of the session.
 2. Organizational matters:
 - (a) Adoption of the agenda;
 - (b) Election of officers other than the Chairman;
 - (c) Organization of the work of the session.
 3. Cooperation with the Intergovernmental Panel on Climate Change.

4. Methodological issues:
 - (a) Longer-term programme of work;
 - (b) Possible revisions to the guidelines for the preparation of communications by Parties included in Annex I to the Convention.
5. National communications from Parties included in Annex I to the Convention.
6. Activities implemented jointly under the pilot phase.
7. Development and transfer of technologies.
8. Report on the session.

B. Election of officers other than the Chairman

(Agenda item 2 (b))

6. At its 1st and 2nd meetings, on 16th December, the SBSTA considered the item on election of officers other than the Chairman.
7. At its 1st meeting, on 16 December, the Chairman provided an oral report on the consultations on the election of the Vice-Chairmen and Rapporteurs of the SBSTA, the Subsidiary Body for Implementation (SBI) and the Ad Hoc Group on Article 13, carried out by the Chairman of the Ad Hoc Group on the Berlin Mandate (AGBM) at the request of the President of the Conference of the Parties, in which he indicated that agreement had not yet been reached on the issue.
8. Statements were made by the representatives of seven Parties. At its 2nd meeting, on 16 December, the SBSTA, in view of the persisting lack of agreement, agreed to consider further the issue at its next session.

C. Organization of the work of the session

(Agenda item 2 (c))

9. At its 1st meeting, on 16 December, the Chairman recalled that services would be available for one morning and one afternoon meeting each day with interpretation from 10 a.m. to 1 p.m. and from 3 p.m. to 6 p.m. The SBSTA agreed to proceed on the basis of the proposed schedule of work contained in document FCCC/SBSTA/1996/14, annex II, with the addition, proposed by the Chairman following informal consultations, that the item on activities implemented jointly under the pilot phase be taken up also on the first day.

10. The Chairman recalled that the COP, at its second session, had not been able to reach an agreement on the rules of procedure, and that the President of the COP was continuing his consultations on this issue. The SBSTA agreed to the Chairman's proposal to follow the same arrangements as in previous sessions in using the draft rules of procedure.

11. The SBSTA, at its third session, had requested the secretariat to organize a round table on activities implemented jointly under the pilot phase (AIJ) in conjunction with the fourth session of the SBSTA to provide for the exchange of information and experience on ongoing AIJ projects and programmes (see FCCC/SBSTA/1996/13, para. 38 (b)). The round table on AIJ took place on Tuesday, 17 December 1996.
