SUBSIDIARY BODY FOR IMPLEMENTATION
Eleventh session
Bonn, 25 October - 5 November 1999
Agenda item 12 (a)

ADMINISTRATIVE AND FINANCIAL MATTERS

PROGRAMME BUDGET FOR THE BIENNIVUM 2000-2001

Recommendation of the Subsidiary Body for Implementation

At its eleventh session the Subsidiary Body for Implementation decided to recommend the following draft decision for adoption by the Conference of the Parties at its fifth session:

Decision -/CP.5

Programme budget for the biennium 2000-2001

The Conference of the Parties,

Recalling paragraph 4 of the financial procedures for the Conference of the Parties,

Having considered the proposed budget for the biennium 2000-2001 submitted by the Executive Secretary (FCCC/CP/1999/INF.1, FCCC/SBI/1999/8, FCCC/SBI/1999/4 and Add.1),

Noting the annual contribution of the host Government, DM 1.5 million, which offsets planned expenditures,

1. *Approves* the programme budget for the biennium 2000-2001, amounting to US\$ 25,286,000, for the purposes specified in table 1 below;
2. *Adopts* the indicative scale of contributions for 2000 and 2001 contained in the annex to this decision;
3. *Approves* a drawing of \$ 2 million from the unspent balances or contributions (carry-over) from previous financial periods to cover part of the 2000-2001 budget;

4. *Approves* the staffing table for the programme budget, as contained in table 2 below;

5. *Approves* a contingency budget for conference servicing, amounting to \$ 5,661,800, to be added to the programme budget for the coming biennium in the event that the General Assembly of the United Nations decides not to provide resources for these activities in the United Nations regular budget for the biennium 2000-2001 (see tables 3 and 4 below);

6. *Approves* additional resources for secretariat support for the work on matters related to the consideration of national communications from Parties not included in Annex I to the Convention, amounting to \$ 1,263,200, to be added to the programme budget for the biennium 2000-2001, of which \$ 363,200 will be drawn on available resources, including unspent balances or contributions from various financial periods (see tables 5 and 6 below), on the understanding that additional voluntary contributions to the Trust Fund for Supplementary Activities will be needed in order to cover activities in relation to the work of the consultative group of experts;

7. *Requests* the Executive Secretary to report to the Subsidiary Body for Implementation at subsequent sessions on the implementation of paragraph 5 above, as necessary;

8. *Authorizes* the Executive Secretary to make transfers between each of the main appropriation lines set out in table 1 below, up to an aggregate limit of 15 per cent of total estimated expenditure for those appropriation lines, provided that a further limitation of up to minus 25 per cent of each such appropriation line shall apply;

9. *Decides* to maintain the level of the working capital reserve at 8.3 per cent of the estimated expenditure;

10. *Invites* all Parties to the Convention to note that contributions to the core budget are due on 1 January of each year in accordance with paragraph 8 (b) of the financial procedures and to pay promptly and in full, for each of the years 2000 and 2001, the contributions required to finance expenditures approved under paragraph 1 above, as offset by estimated contributions noted under the third paragraph of the preamble to this decision and under paragraph 3 above, and the contributions which may result from the decisions referred to in paragraphs 5 and 6 above;

11. *Takes note* of the funding estimates for the Trust Fund for Participation in the UNFCCC Process specified by the Executive Secretary (\$ 3,691,800 for the biennium 2000-2001), and invites Parties to make contributions to this fund (see table 7 below);

12. *Takes note* of the funding estimates for the Trust Fund for Supplementary Activities under the United Nations Framework Convention on Climate Change specified by the Executive Secretary (\$ 6,178,900 for the biennium 2000-2001), and invites Parties to make contributions to this fund (see table 8 below);

13. *Requests* the Executive Secretary to report to the Conference of the Parties at its sixth session on income and budget performance, and to propose any adjustments that might be needed in the Convention budget for the biennium 2000-2001;

14. *Authorizes* the Executive Secretary to make a complementary contribution, from available resources, to the Intergovernmental Panel on Climate Change of \$ 300,000 during the biennium 2000-2001;

15. *Authorizes* the Executive Secretary to incur additional expenditures of up to \$ 1 million to offset part of the costs of activities arising from the preparatory process leading to the sixth session of the Conference of the Parties, drawing on available resources, including unspent balances or contributions from previous financial periods, on the understanding that additional voluntary contributions to the Trust Fund for Supplementary Activities and the Trust Fund for Participation in the UNFCCC Process will be needed in order to cover all activities envisaged in the preparatory process of the sixth session of the Conference of the Parties.

Note: Only tables 5 and 6, which refer to non-Annex I Party communications, and the annex containing the indicative scale of contributions, are attached to this CRP. The remaining tables, which are attached to the draft decision found in the SBI 10 report (FCCC/SBI/1999/8), remain unchanged. They will be included in the draft decision to be adopted by COP 5.

The scale is based on the United Nations scale of assessments (see decision FCCC/CP/1995/Add.1, annex I, para. 7 (a) as amended in decision 17/CP.4). The same methodology of determining the scale will be applied to the contingencies in the event they are approved.
