

CONFERENCE OF THE PARTIES
Sixth session
The Hague, 13-24 November 2000

No. 1

DAILY PROGRAMME¹

Monday, 13 November 2000

SCHEDULED MEETINGS²

The Government of the Kingdom of the Netherlands is hosting a welcoming ceremony attended by Her Majesty Queen Beatrix of the Netherlands. The ceremony will start promptly at 10 a.m. so that participants may hear the opening statements. Participants are asked to take their seats by 9.45 a.m. The doors of Plenary I will be CLOSED at that time! The ceremony may also be followed on the CCTV monitors and on the monitor in Van Gogh Hall (Plenary II). In addition to seats for invited guests, two seats will be available per delegation. A number of additional seats will also be available on a first come, first served basis on the balcony, which is accessible from the entrance on the upper level.

¹ Attached to the first daily programme are annexes listing various events. Since this information is not expected to change, participants are requested to retain these annexes, as they will not be attached to subsequent issues. Additional copies of the listings of events may, however, be obtained throughout the sessions from the Information counter located at the entrance to the conference facilities.

² In the event that the items scheduled for a particular meeting on a particular day are completed ahead of time, other items may be taken up. Please check the CCTV monitors for any last-minute changes to the schedule.

Participants are kindly requested to keep copies of reference and pre-session documents throughout both weeks, in order to reduce paper consumption.

10 a.m. – 12 noon

**WELCOMING CEREMONY
BY THE HOST GOVERNMENT**

**Prins
Willem-Alexander
Hall (Plenary I)**

Addresses of welcome and statements by:

- Statement by the Minister of Housing, Spatial Planning and the Environment
- Mayor of The Hague
- Message from the Secretary General of the United Nations
- Chairman of the Intergovernmental Panel on Climate Change

Those with invitations to view the climate change-related IMAX film “The Straw that Breaks the Camel’s Back” are requested to proceed immediately after the ceremony to the buses waiting at the main entrance. Coats are not needed. Each head of delegation will receive one invitation card in Plenary I. Following the ceremony there will be a short interval to allow special guests and invitees to depart in order to view the film.

SPECIAL ANNOUNCEMENTS

Reception

The Mayor of The Hague kindly extends an invitation to heads of delegation (plus two others) to attend a reception at City Hall, Spui 70, The Hague at 7 p.m.

Real Audio Video Coverage of COP 6 on the Internet

Real audio/video coverage of key meetings will be possible over the Internet via “Conference Live” on cop6.unfccc.int. Starting with the opening session in the presence of Queen Beatrix of the Netherlands, participants will be able to follow the discussions in The Hague live. Look for the programme on the web site.

List of speakers for the high-level segment attended by ministers and other heads of delegations

Parties wishing to communicate information to the secretariat concerning the list of speakers for the policy statements to be made on Tuesday, 21 November during the high-level segment may do so at the counter in the main hall of the congress centre next to the area for meeting room assignments. The list of Parties (by country name) that have requested to make policy statements will be published on Thursday 16 November. Information concerning the exact order of speakers and time of intervention will not be made available until Monday, 20 November.

Because of the limited time available, the length of speeches will be limited to 3-4 minutes. Parties are encouraged to consider having statements made on behalf of groups of Parties, in which case a time limit of 5 minutes would apply and preference in the speaking order will be accorded.

Credentials

Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in Staten Hall (Carrie Bullington).

Security

Enhanced measures have been put in place to ensure the safety and security of conference participants. Consequently, they may be requested to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements. To this end, participants should ensure that they carry a form of picture ID with them at all times in addition to their entry badges.

Pigeonholes for delegates

Pigeonholes are located in the Documents distribution area. Delegates are invited to check their pigeonholes regularly for messages. Messages for delegates may also be left on the message boards in the main foyer of the conference centre.

Information for Participants

A booklet detailing the various facilities and services available to participants may be obtained from the Information desk.

UNFCCC press briefings

The President of the Conference of the Parties and the Executive Secretary will hold a press conference today from 1.30 p.m. to 2 p.m. (strictly limited to the press) in the Carel Willink room.

The Chairman of the Intergovernmental Panel on Climate Change will hold a press briefing from 2.30 p.m. – 3 p.m. in Carel Willink.

Other press briefings

Further press briefings will take place as follows today:

Delegation of the United States of America in Carel Willink from 6 p.m. to 6.30 p.m.

Delegation of Japan in Carel Willink from 7 p.m. to 7.30 p.m.

ICC in Breughel 3 from 2 p.m. to 2.45 p.m.

AOSIS in Carel Willink from 2 p.m. to 2.30 p.m.

Thursday 23 November 1 p.m. – 3 p.m.	World energy outlook-2000: energy, economic and environmental assessment	Organisation for Economic Cooperation and Development (OECD)/International Energy Agency (IEA) Fatih Birol Jenny Gell Tel.: (33-1) 40576670 Fax: (33-1) 40576659 E-mail: fatih.biol@iea.org	This presentation provides detailed energy and CO ₂ emissions projections (up to 2020) of the IEA's "World Energy Outlook-2000" publication
Thursday 23 November 1 p.m. – 3 p.m.	UNEP programme for adapting to climate change	United Nations Environment Programme (UNEP) Ravi Sharma Tel.: (254-2) 624215 Fax: (254-2) 624324 E-mail: ravi.sharma@unep.org	Presentations and discussion on future steps to be taken in the field of adaptation to the impacts of climate change
Thursday 23 November 1 p.m. – 3 p.m.	The clean development mechanism (CDM) and nuclear power	International Atomic Energy Agency (IAEA) Hans-Holger Rogner Tel.: (43-1) 260022776 Fax: (43-1) 260029598 E-mail: h.h.rogner@iaea.org	Case studies and view from developing countries on the CDM and nuclear power
Thursday 23 November 6 p.m. – 9 p.m.	Climate change: an update of recent research from the Hadley Centre	Hadley Centre Geoff Jenkins Tel.: (44-1344) 856653 Fax: (44-1344) 854898 E-mail: gjjenkins@meto.gov.uk	New developments in scientific research on climate change will be presented by speakers from Hadley Centre for Climate Prediction and Research
Thursday 23 November 6 p.m. – 8 p.m.	Long-Term Agreement by Federal Government and German industry and trade on Global Warming Prevention	Federal Association of German Industry (BDI)- Environmental Policy Department with BMU Joachim Hein Tel.: (49-30) 20281555 Fax: (49-30) 20282555 E-mail: j.hein@bdi-online.de	Presentation of the new Long Term Agreement on Global Warming Prevention signed on 9 November 2000 in Berlin between the Federal Government, Federation of German Industry, Association of German Electricity Supply Companies and the Federation of Industrial Energy Consumers and Self-Producers
Thursday 23 November 6 p.m. – 8 p.m.	The oil industry and climate policy: common problem, different strategies	Center for International Climate and Environmental Research (CICERO) in collaboration with Fridtjof Nansen Institute (FNI) Tora Skodvin Tel.: (47-22) 858750/69 Fax: (47-22) 858751 E-mail: tora.skodvin@cicero.uio.no	The presentation aims at describing and explaining differences between climate strategies of oil companies and their consequences for international climate policy
Thursday 23 November 6 p.m. – 8 p.m.	The Internet and the environment – what industry can do	Wuppertal Institute in collaboration with Institute for Global Environmental Strategies (IGES) and World Resources Institute (WRI) Herman Ott Tel.: (49-202) 2492246 Fax: (49-202) 2492250 E-mail: hermann.ott@wupperinst.org	First results of a project by IGES and the Wuppertal Institute on a policy dialogue between Japan and Germany
Thursday 23 November 6 p.m. – 8 p.m.	Thanksgiving with the US students climate summit	Greenpeace International Bill Hare Tel.: (49-170) 9057015 Fax: (49-30) 44678764 E-mail: bhare@diala.g13	Students presentations on COP 6 deliberations

Friday 24 November 1 p.m. – 3 p.m.	Policy and measures for GHG reduction: the case of Korea	The Korea Chamber of Commerce and Industry (KCCI) Woo Suk Hoon Tel.: (82-31) 2604064 Fax: (82-31) 2604059 E-mail: wasang@shinbiro.com	GHG reduction through the energy saving technology. We think, the goal of UNFCCC, GHG reduction, will be accomplished through the high efficiency utility
Friday 24 November 1 p.m. – 3 p.m.	Economic analyses of key issues in the Buenos Aires Plan of Action	Asian Development Bank (ADB) & UNEP Prodipto Ghosh Tel.: (63-2) 6325982 Fax: (63-2) 6362195 E-mail: pghosh@adb.org	The event will present the outcome of a series of regional and national workshops in Asia organized jointly by ADB and UNEP focusing on key economic and institutional issues in relation to the Kyoto Mechanisms
Friday 24 November 1 p.m. – 3 p.m.	Sustainable energy future for developing countries, alternatives to dependence from oil imports	German NGO Forum on Environment and Development Gerald Knauf Tel.: (49-228) 359704 Fax: (49-228) 359096 E-mail: forumue@compuserve.com

ANNEX B

**LIST OF EXHIBITS FOR THE SIXTH SESSION OF THE
CONFERENCE OF THE PARTIES**

Locator index	Organization	Theme	Contact
Main foyer	UNFCCC Climate Change Kiosk	Resource for information on climate change including background information, who is doing what in the process and general information related to the process.	Kevin Grose Tel.: (49-228) 8151528 Fax: (49-228) 8151999 E-mail: kgrose@unfccc.int
34	Amazon Alliance	Demonstration of impacts of climate change in the indigenous communities.	Rebel Owens Tel.: (1-202) 7853334 Fax: (1-202) 7853335 E-mail: rebel@amazonalliance
45	Australian Delegation, AusAID Australian Greenhouse Office	Presentation on the Australian overseas aid programme and the challenge of global warming and on the Australian domestic response to greenhouse gas abatement.	Kerry Groves Tel.: (61-2) 62064688 Fax: (61-2) 62064998 E-mail: kerry_groves@ausaid.gov.au Simon Camroux, Greg Terrill Tel.: 02 6274 1439 E-mail: Simon.camroux@ea.gov.au
14	Battelle Memorial Institute; Stanford Energy Modelling Forum, Stanford University; Alianza; National Petroleum Company of Mexico, PEMEX; National Autonomous University of Mexico and the Indian Institute for Management	Presentation on a global energy technology strategy to address climate change explores the need to transform the world's energy system through new technologies while minimizing the costs of climate mitigation.	James J. Dooley Tel.: (1-202) 6465025 Fax: (1-202) 6467845 E-mail: jj.dooley@pnl.gov
23	BCSD-LA in collaboration with the Monterrey Institute of Technology-INNOVA Center for Sustainable Development	Global climate change and its relevance to Latin America. Launching of book on specific case studies of Latin American companies that have mitigated greenhouse gas emissions or optimized energy resource use.	Julia Hernandez Tel.: (52-8) 3284435 Fax: (52-8) 3284185 E-mail: mjhernan@correro.mty.itesm.mx
79	Canadian Pulp and Paper Association (CPPA), the Joint Working Group of the Forest, Pulp and Paper Industry	The climate change profile of the forest, pulp and paper industry and its contribution to reducing greenhouse gas emissions through energy recovery, recycling and carbon sequestration.	Sylvie St-Laurent Tel.: (1-514) 8666671 Fax: (1-514) 8663035 E-mail: sstlaurent@cpga.ca
94	CarbonFix e.V.	Presentation of documentation.	Manfred Vohrer Tel.: (49-7636) 1209 Fax: (49-7636) 809 E-mail: iue-vohrer@t-online.de
57	Center for Clean Air Policy (CCAP)	The CCAP's research and dialogue process on the clean development mechanism, international emissions trading and joint implementation.	Catherine Leining Tel.: (1-202) 4089260 Fax: (1-202) 4088896 E-mail: cleining@ccap.org

101	Central American Commission on Environment and Development (CCAD)	The Mesoamerican biological corridor as a means to reducing GHG emissions through land use change, ecosystem conservation and promotion of renewable energy.	Rebecca Marin Tel.: (1-503) 2896131 Fax: (1-503) 2896131 E-mail: rmarin@sicanet.org.sv
65	Central Research Institute of Electric Power Industry (CRIEPI)	Display on climate change related energy and environment research from an international, long-term perspective.	Kazuo Asakura Tel.: (81-3) 32016601 Fax: (81-3) 32872841 E-mail: asakura@criepi.denken.or.jp
28	Climate Action Network (CAN)	CAN display of relevant publications of its members, including position papers and ECO.	Karla Schoeters Tel.: (32-2) 2310180 Fax: (32-2) 2305713 E-mail: karla@klimnet.org
27	Climate Action Network Europe (CAN-EU)	"The betting office" – a stand presenting the European youth campaign "The Bet". This aims to make the delegates aware of the presence of young people at the negotiations.	Carolin Zenger Tel.: (49-30) 79706610 Fax: (49-30) 79706620 E-mail: carolin.in.bet@gmx.net
60	Columbia University, Columbia Earth Institute (CIESIN)	Display focusing on education, training and public awareness: to promote and facilitate at the national, regional and international level, public access to information on climate change, its effects and response strategies.	Robert C. Worrest Tel.: (1-202) 3143822 Fax: (1-202) 4888679 E-mail: robert.worrest@ciesin.org
32	Committee for a Constructive Tomorrow (CFACT)	Freedom 21: Advancing the principles of freedom into the 21 st century. Taking the Kyoto Protocol to the world through radio and internet through interviews with participants for transmission to the world.	Craig Rucker Tel.: (1-202) 4292737 Fax: (1-540) 9552481 E-mail: craig@cfact.org
1	Dutch delegation	Display of effective instruments for reaching governmental goals.	Ronald Rovers Tel.: (31-46) 4202202 Fax: (31-46) 4528260 E-mail: r.rovers@novem.nl
12	Emissions Marketing Association (EMA)	Market issues and educational activities on emission trading, joint implementation and CDM.	David Feldner Tel.: (1-414) 2263819 Fax: (1-414) 2763399 E-mail: dfeldner@emissions.org
73	EPOTEC	Emissions inventory accounting system sponsored by UNCTAD, for the implementation of Kyoto Protocol.	Alan Reed Tel.: (1-505) 7651444 Fax: (1-505) 2471398 E-mail: areed@nm.net
68	Euroheat & Power		Henrik Petersen Tel.: (32-2) 7402110 Fax: (32-2) 7402119 E-mail: info@euroheat.org
75	European Chemical Industry Council (CEFIC)	Display including voluntary energy efficiency programme, etc.	Marc Devisscher Tel.: (32-2) 6767223 Fax: (32-2) 6767330 E-mail: mde@cefic.be

2	European Commission	GHG emissions reduction activities: RTD-SAVE, ALTENER and SYNERGY. Display showing key actions relating to global climate change.	Ter Mors Henk Tel.: (32-2) 2953105 Fax: (32-2) 2963024 E-mail: henk.ter-mors@cec.eu.int
98	European Wind Energy Association (EWEA)	Information on wind energy and other renewable energy technologies showing their potential for clean energy generation to avoid CO2 emissions as well as promoting development.	Vicky Pollard Tel.Ⓣ(32-2) 5461940 Fax: (32-2) 5461944 E-mail: ewea@ewea.org
103	Fonds E7 pour le Developpement Energétique Durable		Marie Nguyen Tel.: (33-1) 40422758/1120 Fax: (33-1) 40427958/7991
10	Food and Agriculture Organization (FAO)	Presentation on carbon sequestration in soils and bio-mass, bio-energy, land use data.	Wulf Killmann Tel.: (39-06) 57053221 Fax: (39-06) 57053221 Tel: wulf.killmann@fao.org
91	FORATOM	Display of nuclear energy as part of the solution to climate change through avoidance of greenhouse gas emissions.	Emma Johansson Tel.: (32-2) 5053225 Fax: (32-2) 5023902 Tel: ej@foratom.skynet.be
83	Forests Absorbing Carbon-dioxide Emissions Foundation (FACE)	Presentation of reforestation projects under JI and CDM, advantages and disadvantages, including a voluntary approach to climate compensation.	Sjaak de Ligt Tel.: (31-26) 3570774 Fax: (31-26) 3570777 E-mail: sjaak.de.ligt@facefoundation.nl
88	Foundation for International Environmental Law and Development (FIELD)	Presentation on the climate change activities of FIELD.	Farhana Yamin Tel.: (44-20) 76377950 Fax: (44-20) 76377951 E-mail: fyl@soas.ac.uk
42	Free University of Amsterdam, Institute for Environmental Studies (IVM)	Presentation on IVM's products on climate change issues. IVM's multidisciplinary research products on climate change issues, reflecting the economic, political and natural scientific challenges.	Anna J. Wiczorek Tel.: (31-20) 4449504 Fax: (31-20) 4449553 anna.j.wiczorek@ivm.vu.nl
54	French Government with French Agency for the Environment and Energy Management (ADEME)	Presentation on climate change related know-how.	Florence Clement Tel.: (33-147) 652229 florence.clement@ademe.fr
36	Friends of the Earth International (FOEI)	Display of climate change impacts through photos and reports.	Frances McGuire Tel.: (44-20) 75661714 Fax: (44-20) 4900881 E-mail: francesm@foe.co.uk
102	German delegation in cooperation with the Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)	Display of German cooperation with developing countries on climate policy.	Holger Liptow Tel.: (49-6196) 791352 Fax: (49-6196) 796320 E-mail: holger.liptow@gtz.de
69	Global Commons Institute (GCI) and Counterpart International	Presentation on: Counterpart's climate related projects including coral gardens, forest gardens, focusing on small island states. GCI's posters on contraction and convergence model.	Ronald A. Kingham Tel.: (32-2) 6880243 Fax: (32-2) 6882685 E-mail: edrc@compuserve.com

39	Global Dynamics Institute (GDI)	Display on climate change extreme weather indicators, future evolution of CO ₂ concentration accounting for the new VOSTOK ice core data and new calculations on the influence of deforestation on the CO ₂ sink rate.	Alberto di Fazio Tel.: (39-06) 85300286 Fax: (39-06) 85300286 E-mail: difazio@oarhp1.rm.astro.it
17	Global Environment Facility (GEF)	Display on the Global Environment Facility (GEF) and its climate change projects and activities.	Hutton G. Archer Tel.: (1-202) 4587117 Fax: (1-202) 5223240 E-mail: harcher@worldbank.org
89	GLOBE	Display of GLOBE's campaign on climate change.	Ilona Graenitz Tel.: (32-2) 2306589 Fax: (32-2) 2309530 E-mail: e.globe@innet.be
50	Government of Canada in collaboration with Canadian Soil and Water Conservation Council	Display of climate change technologies.	Tim Karlsson Tel.: (1-613) 9412249 Fax: (1-613) 9543419 E-mail: karlsson.tim@ic.gc.ca
38	Greenpeace International	Display of visuals on the impacts of climate change and policy documents relevant to the negotiations.	Leslie Siubhan Tel.: (31-20) 5236228 Fax: (31-20) 5236200 E-mail: sleslie@ams.greenpeace.org
55	Hadley Centre for Climate Prediction and Research	Display showing climate predictions and observations with recent advances.	Geoff Jenkins Tel.: (44-1344) 856653 Fax: (44-1344) 856912 E-mail: gjenkins@meto.gov.uk
44	Hamburg Institute of International Economics (HWWA)	Display of research papers on CDM and baselines methodologies and book "Climate Policy and Development".	Axel Michaelowa Tel.: (49-40) 42834309 Fax: (49-40) 351900 E-mail: a-michaelowa@hwwa.de
61	Imperial College Centre for Environment Technology (ICCET) and the Royal Institute for International Affairs (RIIA)	Presentation of a new journal "Climate Policy" and display of publications including free briefing papers by RIIA.	Michael Grubb Tel.: (44-207) 9575711 Fax: (44-207) 9575710 E-mail: michael.grubb@ic.ac.uk
80	Institute for Global Environmental Strategies (IGES)	Presentation of IGES's proposal for Kyoto mechanisms as well as general information of IGES activities on strategic research.	Naoki Matsuo Tel.: (81-468) 553810 Fax: (81-468) 553809 E-mail: m-iwase@iges.or.jp
47	Intergovernmental Panel on Climate Change (IPCC)	Presentation of IPCC publications.	Renate Christ Tel.: (41-22) 7308574 Fax: (41-22) 7308025 E-mail: christ_r@gateway.wmo.ch
51	International Confederation of Free Trade Unions (ICFTU) and Trade Union Advisory Committee to OECD (TUAC)	Presentation of materials on social and employment transitions related to climate change.	Lucien Royer Tel.: (33-1) 47634263 Fax: (33-1) 47549828 E-mail: lroyer@compuserve.com
9	International Council for Local Environmental Initiatives (ICLEI)	Presentation of cities for climate protection program.	Virginia Sonntag-O'Brien
11	International Emissions Trading Association (IETA)*	Display of information on commercial emission trading and domestic initiatives.	Mary Jean Buerer Tel.: (41-22) 8393154 Fax: (41-22) 8393181 E-mail: burer@wbcsd.org

4	International Energy Agency (IEA)	Display of climate change policies in the energy sector.	Jenny Gell Tel.: (33-1) 40576729 Fax: (33-1) 40576709 E-mail: jenny.gell@iea.org
5	International Energy Agency (IEA), Climate Technology Initiative (CTI)	Display of CTI's technology related activities.	Roebym Heintz Tel.: (33-1) 40576645 Fax: (33-1) 40576759 roebym.heintz@iea.org
31	International Gas Union (IGU) with American Gas Association (AGA), Interstate Natural Gas Association of America (INGAA), Japan Gas Association, Eurogas, European Natural Gas Vehicle Association (ENGVA/IANGV) and Eurogas	Display of materials demonstrating how the use of natural gas can contribute to Kyoto objectives.	Peter Storm Tel.: (45-45) 171200 Fax: (45-45) 171900 E-mail: pks@dong.dk Peter Claus Tel.: (32-2) 2371126 Fax: (32-2) 2306291 E-mail: peter.claus@eurogas.org
97	International Institute for Sustainable Development (IISD)	Climate change: affecting communities. The exhibit will highlight IISD's work on climate change impacts and community adaptation; it will also include results of policy research and information on IISD's capacity building activities.	Dennis Cunningham Tel.: (49-761) 368920 Fax: (1-204) 9587710 E-mail: dcunningham@iisd.ca
74	International Petroleum Industry Environmental Conservation Association (IPIECA)	Display of climate change related publications.	Jonathan Grant Tel.: (44-20) 72212026 Fax: (44-20) 72294948 E-mail: jgrant@ipieca.org
52	Japanese Trade Union Confederation (JTUC-RENGO)	Display of Rengo Eco-life21 and the "Save Electricity by Appropriate Indoor Temperature Settings" and put on "Ecological suits" promotion.	Tadayuki Murakami Tel.: (81-3) 52950522 Fax: (81-3) 52950546 E-mail: bon-voyage@sv.rengo-net.or.jp
