Lists of speakers under agenda item 9 (a)

The list below is the list of speakers that wish to deliver a policy statement under agenda item 9 (a) (scheduled for 10 a.m. to completion on Tuesday, 21 November 2000).

All speakers are reminded to be present in the plenary at least ten minutes (or two speakers) prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Should a speaker not be present at his/her delegation's seat at the appropriate time, a slot may be assigned at the end of the day's proceedings (upon request of the delegation).

Delegates are reminded that statements should not exceed the three- to four-minute limit to which the Conference agreed at its third meeting. Parties are encouraged to consider consolidating individual statements into one statement made on behalf of a group of Parties, in which case a time limit of five minutes will apply. Given the large number of statements, we kindly suggest that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer only to have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

Any changes in the name and rank of the speaker previously communicated to the secretariat should be provided as early as possible to the desk in the main hall of the Congress Centre next to the area for meeting room assignments so that the speaker's list can be corrected accordingly.

Parties are kindly requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

All Parties are kindly requested to provide the conference officers with 20 copies of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide 300 copies. These copies may be delivered to the Conference Officers' table.

Credentials

Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in the Staten Hall (Carrie Bullington).

Enhanced measures have been put in place to ensure the safety and security of conference participants. Consequently, they may be requested to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements. To this end, participants should ensure that they carry a form of picture ID with them at all times in addition to their entry badges.

Delegates who have experienced technical problems with visa fees are requested to bring their passport or other appropriate documents to the special desk open from 1 p.m. to 3 p.m. in the Administration room (S5) on Monday, 20 November and Friday, 24 November for reimbursement.

Pigeonholes for delegates

Pigeonholes are located in the Documents distribution area. Delegates are invited to check their pigeonholes regularly for messages. Messages for delegates may also be left on the message boards in the main foyer of the Congress Centre.

Information for participants

A booklet detailing the various facilities and services available to participants may be obtained from the Information desk.

Computer facilities for participants

Second Floor Computer Centre (Ruysdael foyer)

The centre is equipped with 150 computers as well as network printers. Each PC has an Internet connection and is installed with commonly used software (MS-Office, WordPerfect, and Internet browsers). Due to the large number of people who may want to use the facilities, participants are kindly requested to be considerate and limit the time spent using the computers.

An **IT Service Centre** is located within the Computer Centre. Staff are available in the centre to assist with any PC or printer which does not work, as well as to make colour copies, transparencies, prints, etc.

Plug and play area

Two adjacent rooms are equipped with special tables at which participants with their personal laptops will find a power supply and Internet connection (RJ45). Participants are responsible for providing their own power adapters and setting up their equipment themselves. Telephones and photocopiers are also available.

Cyber Café Vermeer Lounge

Participants can access their electronic mail accounts using the 20 PCs in this lounge. Dial 4422 for help. No printer is provided in the lounge.

Cyber Café Karel Appel Foyer (next to Cinema entrance)

Participants can access their electronic mail accounts using the 20 PCs in this foyer. Dial 4422 for help. No printer is provided in the foyer.

International Media Centre Computer Centre

The centre is equipped with 100 computers as well as network printers for the use of media and press. Each PC has an Internet connection and is installed with commonly used software (MS-Office, WordPerfect, and Internet browsers).

Catering facilities

In addition to the Press Restaurant and the Famous Tables Café, participants will find a food court at ground level and a buffet restaurant in the basement, where a wide variety of dishes and snacks are served at very reasonable prices.

Anyone ordering coffee from the catering areas is requested to take note of the reusable cups. Recycling receptacles are located throughout the building. Coupons need to be purchased beforehand from the desk opposite the Documents distribution counter.

OTHER SCHEDULED EVENTS

UNFCCC event
