### **Reimbursement of visa fees**

Delegates who have experienced technical problems with visa fees are requested to bring their passport or other appropriate documents to the special desk open from 1 p.m. to 3 p.m. in the Administration room (S5) on Friday, 24 November for reimbursement.

### **Pigeonholes for delegates**

Pigeonholes are located in the Documents distribution area. Delegates are invited to check their pigeonholes regularly for messages. Messages for delegates may also be left on the message boards in the main foyer of the Congress Centre.

### **Information for participants**

A booklet detailing the various facilities and services available to participants may be obtained from the Information desk.

### **Computer facilities for participants**

#### **Second Floor Computer Centre (Ruysdael foyer)**

The centre is equipped with 150 computers as well as network printers. Each PC has an Internet connection and is installed with commonly used software (MS-Office, WordPerfect, and Internet browsers). Due to the large number of people who may want to use the facilities, participants are kindly requested to be considerate and limit the time spent using the computers.

An **IT Service Centre** is located within the Computer Centre. Staff are available in the centre to assist with any PC or printer which does not work, as well as to make colour copies, transparencies, prints, etc.

#### **Plug and play area**

Two adjacent rooms are equipped with special tables at which participants with their personal laptops will find a power supply and Internet connection (RJ45). Participants are responsible for providing their own power adapters and setting up their equipment themselves. Telephones and photocopiers are also available.

#### **Cyber Café Vermeer Lounge**

Participants can access their electronic mail accounts using the 20 PCs in this lounge. Dial 4422 for help. No printer is provided in the lounge.

**Cyber Café Karel Appel Foyer (next to Cinema entrance)**

Participants can access their electronic mail accounts using the 20 PCs in this foyer. Dial 4422 for help. No printer is provided in the foyer.

**Computer Centre in the International Media Centre**

The centre is equipped with 100 computers as well as network printers for the use of media and press. Each PC has an Internet connection and has commonly used software (MS-Office, WordPerfect, and Internet browsers) installed.

**Catering facilities**

In addition to the Press Restaurant and the Famous Tables Café, participants will find a food court at ground level and a buffet restaurant in the basement, where a wide variety of dishes and snacks are served at very reasonable prices.

Anyone ordering coffee from the catering areas is requested to take note of the reusable cups. Recycling receptacles are located throughout the building. Coupons need to be purchased beforehand from the desk opposite the Documents distribution counter.

**OTHER SCHEDULED EVENTS**

**Climate change kiosk**

- The secretariat presents The UNFCCC greenhouse gas inventory database at 1 p.m.
