**Please check against the CCTV monitors. Programme subject to change in the light of the evolution of the negotiations.**

### **Daily meetings of non-governmental organizations**

Business and industry organizations will meet daily from 9 a.m. to 10 a.m. in the business and industry room in the Ministry of Environment, and environmental groups from 2 p.m. to 3 p.m. in the room Environmental 1 in the Ministry of Education.

### **SPECIAL ANNOUNCEMENTS**

#### **Reception**

The Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Mr Jürgen Trittin and the Lord Mayor of the City of Bonn, Ms Bärbel Dieckmann, cordially invite participants to a cultural event with concerts, performances and a buffet at 7 p.m. on Tuesday, 17 July at the Museumsmeile, Friedrich-Ebert-Allee 4, Bonn (underground station: Heussallee/Museumsmeile). Participants are requested to present their invitation card or conference badge at the entrance. The invitation includes a visit to the David Hockney exhibition at the Kunst- und Ausstellungshalle.

#### **Credentials**

Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in La Marée (Carrie Assheuer).

## **OTHER ANNOUNCEMENTS**

### **Information for participants**

A booklet detailing the various facilities and services available to participants may be obtained from the information desk.

### **Security**

Enhanced measures have been put in place to ensure the safety and security of conference participants. Consequently, they may be requested to verify their identity. This may lead of some inconvenience at times, but it is expected that participants will understand the need for such arrangements. To this end, participants should ensure that they wear their conference badges in full view at all times.

### **Press briefings**

Please view the CCTV monitors for details of press briefings to be held today.

### **COP 7 hotel bookings**

Due to the great demand for hotel rooms in Marrakesh, a popular tourist destination, participants are strongly advised to visit the COP 7 stand that is located next to the information desk in the foyer, in order to book their rooms early.

### **Free public transportation**

Participants may travel free of charge on buses and trams in Bonn for the duration of the conference. Free admittance is based upon presentation of a conference badge. Courtesy of the Federal Ministry of the Environment, Nature Conservation and Nuclear Safety (BMU), the city of Bonn and Stadtwerke Bonn.

### **Pigeonholes for delegates**

Pigeonholes are located in the documents distribution area. Delegates are invited to check their pigeonholes regularly for messages. Messages may also be placed on the message boards in the corridor adjacent to the main foyer of the conference facilities.

### **Carbon-free electricity**

A carbon-free, resumed session of COP 6 at the Hotel Maritim, through electricity generated only from renewables, has been provided by the Stadtwerke Bonn in the framework of the initiative "e-mission 55". [www.swb.bonn.de](http://www.swb.bonn.de)

"e-mission 55" is an initiative whose members include Germanwatch and the European Business Council for a Sustainable Energy Future e5.

### **No-smoking area**

Participants are kindly requested to note that smoking is only permitted in designated areas around the conference facilities.

**ANNEX A**

**Schedule of special events  
at the sixth session of the Conference of the Parties (Part 2)  
and the fourteenth sessions of the subsidiary bodies  
Tuesday, 17-Friday, 27 July 2001**

*(The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process)*
