SPECIAL ANNOUNCEMENTS

NGO party

The traditional NGO party will take place tonight at Hotel Insel, Bad Godesberg, from 9 p.m. onwards. All participants are heartily welcome.

WDR television services conclude

The Westdeutscher Rundfunk (WDR) television organization has now completed its service here at the conference site. The secretariat is most grateful to WDR for providing a range of television services during this most important period of negotiation. These services were provided free of charge. Unfortunately, the departure of WDR means that it is not possible to maintain the closed circuit TV signal to the Ministries of Education, Justice and Environment areas for the media and NGOs. The conference areas in the Maritim Hotel are not affected.

Participants may follow this week's meeting schedule on the conference web site using the PCs in the media centre or the NGO rooms. Simply click on PROGRAMME. It is also possible to follow the discussions on the Internet WEBCAST www.unfccc.int/cop6_2

Badges of Parties

Please note that pink badges bearing the text "2001" are valid for access to COP 7 in Marrakesh. Provided that the representative is duly nominated by their Government to participate in COP 7, the badge issued in Bonn will permit the holder to obtain entrance to the conference premises in Marrakesh. Government representatives are thus requested to retain their conference badges for use at COP 7.

Press briefings

The following NGO press briefings will take place in the NGO press tent at the Federal Ministry of Education and Research (BMBF). Other press briefings may be announced during the day on CCTV.

11.00 a.m.	Climate Action Network
11.30 a.m.	E5 – European Business Council for a Sustainable Energy Future

Survey of UNFCCC secretariat information products

Over the coming days participants may be approached to complete a short survey on the information products produced by the secretariat. The results of the survey will provide feedback on the usefulness and quality of products produced such as documents, web site, and guides. Your cooperation is much appreciated.

For more information, please contact the Climate Change Kiosk in the hotel foyer.
