Proposal on cleaner or less greenhouse gas-emitting energy

Draft conclusions proposed by the Chairman

1. The SBSTA took note of the report by the Government of Canada on a meeting on the subject of cleaner or less greenhouse gas-emitting energy.
2. The SBSTA requested the secretariat to organize a workshop under the guidance of its Chairman on the topic in paragraph 1 above, if possible prior to its sixteenth session, assuming the availability of resources, and to prepare a report on the workshop.
3. The SBSTA accepted an offer from the Government of Canada to host the workshop.
4. The SBSTA invited Parties to provide views on the structure and scope of the workshop by 15 February 2002, and requested the secretariat to compile such views in a miscellaneous document.
