1. At its 8th plenary meeting, on 24 November, the President indicated that the Rapporteur of the Conference at its fifth session, Mr. Vallim Guerreiro (Brazil) had conducted intensive consultations on his behalf during the Conference on this issue but that a number of delegations had indicated that they needed more time to consult with their Governments.
2. At the same meeting, the President noted that the Minister of Environment of Turkey, in his statement to plenary [see Addendum 4, annex I] had made a new proposal, on the issue under which:
 - (a) The name of Turkey would be deleted from annex II of the Convention; and
 - (b) The name of Turkey would remain in annex I, but with an accompanying footnote indicating that Turkey should enjoy favourable conditions within the “common but differentiated responsibilities”, in view of its early stage of industrialization.
3. After a discussion in which three Parties spoke, the Conference agreed, on the proposal of the President, that the above proposal should be referred to the SBI at its next session for consideration, with a view to the submission of a recommendation by the SBI to the Conference of the Parties at its seventh session for consideration and definitive action.
