Special Events

Announcements by organizers of special events in the Maritim may be placed on the designated notice boards. The notice boards are located on the wall near the security checkpoint and on the side of the Documents Counter near the photocopiers.

This should allow a more consolidated information source and reduce paper wastage.

There is also a section for related events – these are events outside the Maritim but organized by participants to the sessions.

Flyers found elsewhere will be removed.

Message Board

Participants are requested to check the Message Board in the foyer opposite the Information Desk regularly for messages left for them by other participants. For easy reference, the board is organized alphabetically according to the first letter of the recipient's last name or the name of the country.
