Page 5, table S-2: Inventory of CH<sub>4</sub> in Switzerland by source, 1990, second column:

Replace "100 t of CH<sub>4</sub>" by "1,000 t of CH<sub>4</sub>".

Page 5, table S-3: Inventory of N<sub>2</sub>O in Switzerland by source, 1990, second column:

Replace "100 t of N<sub>2</sub>O" by "1,000 t of N<sub>2</sub>O".

Page 6, paragraph 11, third subparagraph, parentheses:

Add "production" after "energy" ⇒ "(energy, production, wastes)".

Page 6, table S-4: Inventory of precursors in Switzerland, 1990, columns 2, 3 and 4:

Replace "100 t of NO<sub>x</sub>", "100 t of CO" and "100 t of VOC" by "1,000 t of NO<sub>x</sub>", "1,000 t of CO" and "1,000 t of VOC".

Page 6, paragraph 13:

Replace "budget" by "inventory".

Page 8, heading preceding paragraph 24: "Emission scenarios, 1990-2000":

Capitalize the heading instead of underlining it.

Page 8, paragraph 25, fourth line:

Replace "planned measures" by "measures decided upon".

Page 10, table S-11: Energy-related CO<sub>2</sub> emissions, 1990-2030, taking into account measures already decided upon, fifth column, second line (Services, agriculture):

Replace "-2" by "-27".

Page 12, paragraph 38, beginning of the second subparagraph:

Does not affect the English text.

Page 12, paragraph 39, third line:

Replace "based on the services provided" by "based on the distance travelled".

Page 13, figure S-1: Greenhouse gas budget in Switzerland, 1990, measured using GWPs:

Replace "budget" by "inventory" (in the heading and in the chart).

Page 14, table S-5: Measures decided upon in the energy and industry sector, "Concrete action" column, third subparagraph:

Replace "1988" by "1998".

Page 16, table S-7: Measures decided upon in the farming sector:

Replace by the following table.

Table S-7: Measures decided upon in the farming sector

| Measures  | Aims/target groups   | Relevant greenhouse gases                           | Types of instrument | Legal status  | Concrete action  | Relevance to climate |
|---|--|---|---------------------|---|--|----------------------|
| Dairy quotas  | Stabilization of production  | CH <sub>4</sub> , N <sub>2</sub> O                  | Regulation          | Dairy industry order, revised on 1.11.89  | The central Government sets individual quotas                        | Medium               |
| Protection of water quality in agriculture          | Reduction of the use of fertilizer: checking of livestock  | CH <sub>4</sub> , N <sub>2</sub> O                  | Regulation          | Water Quality Protection Act of 24.1.91   | Manuring limit equivalent to 3 livestock units per hectare <u>1/</u> | High                 |
| Incentives in the field of plant production         | Stabilization of grain production  | N <sub>2</sub> O, CH <sub>4</sub> , CO <sub>2</sub> | Fiscal incentive    | Ordinance of 2.12.91 on the orientation of plant production and extensive cultivation | Extensive grain production   | Medium               |
| Regulation for nutritional balance                  | Balanced manuring inventory  | N <sub>2</sub> O, CH <sub>4</sub>                   | Regulation          | Environmentally dangerous substances ordinance of 16.9.93                             | Manuring plan  | Medium               |
| Direct payments for specific environmental benefits | Financial incentive for integrated production or organic farming; ecological compensation land; supervised livestock grazing | N <sub>2</sub> O, CH <sub>4</sub> , CO <sub>2</sub> | Fiscal incentive    | Farming Act, art. 31 (b) and guidelines   | Forms of production that are more environment-friendly               | Medium               |

1/ This is also the objective of the campaign on the abandonment of farms (1993-1996) and the order on maximum number of 13 April 1998.
